4)Connexion

A login form titled "Login into your account" is displayed. It features a red error message box stating "Provided email or password is incorrect". Below this, there are input fields for email (containing "zura@example.com") and password (masked with dots). A purple "Login" button is positioned below the password field. At the bottom, there is a link that says "Not registered? Create an account".

5)Ajout d'un nouvel utilisateur

The interface shows a sidebar with "Dashboard" and "Users" options. The "Users" section is active, displaying a table with columns: ID, Name, Email, Create Date, and Actions. The table is currently loading, indicated by "Loading..." text. A green "Add new" button is located in the top right corner of the Users section.
